## SkillsFest 2019

**Saturday 1<sup>st</sup> and Sunday 2<sup>nd</sup> June at Pybus Camp Site**

Want to spend two days just hanging around with other Leaders learning new skills and passing on your knowledge of other skills with **no young people present** and being fed and watered?

Then **SkillsFest 2019** is for you!

Cleveland Scouts is putting on a weekend of skills training for you to come along and simply relax at! You can learn about reading a map, using a compass and planning a route and, because we have more time, follow your route to see if you've got it right! Fancy learning about lightweight cooking and trying it out? Then tick the box below!

Also, after a traditional camp fire, you can spend a night under the stars doing some stargazing and learning how to follow it up in your Section meetings.

We are also offering several aspects of training including

- ✓ **Gaining the Top Award the Cleveland way**
- ✓ **Adult recruitment**
- ✓ **Making reasonable adjustments to your programme**

All this and much, much more is on offer to you for only £20, including food and camping fees, for the weekend. Choose whether you want to sleep indoors, outside in your tent, under the stars or the comfort of your own bed!

Simply, choose from the menu of activities below which you would like to do – choose as many as you would like **but rank your top five by putting numbers 1-5 in the tick box.**

Once we receive all bookings then we will put the final programme together based on people's choices. So, if for example, knives and axes is not popular, we won't put it on.

**Now choose what you want to learn, tick the boxes and return to SkillsFest 2019.**

**Final details will be sent to you during May 2019**
